Bloomington, IL 60108

RE: B & E Aquatics Inc

Last summer the Bloomington Park District had the pleasure of opening a new pool. B & E Aquatic Inc has been instrumental in the construction, maintenance, additions and improvements, and repairs to our pools. Through the construction, they worked tirelessly to ensure our opening was on time. They were patient with us as they trained us to start up, operate, and winterize our new pool. They were, and still are, responsive to my questions and concerns. I have been very happy with the excellent service B & E Aquatics Inc provides and would recommend them with the highest regard.

If you have any questions feel free to call me at 630-529-3650 x 25.

Sincerely,

Ed Reidy
Bloomington Park District

...Let's have fun...
