Fax: 630.365.2094

Regards,  
*Bob Kappel*  
Regional Sales Mgr—Eastern N.A.

B & E Aquatics, Inc. has been the authorized representative for sales and service in the Chicagoland area for over a year of the Strantrol® aquatic control system from Siemens. It has come to our attention that not everyone knows us or knows where to turn for your chemical and pool equipment needs.

At B&E Aquatics Inc., we represent a vast network of aquatic professionals ready to assist you in **ALL** of your aquatic needs. We have the competency and ability to work on any aspect of your facility, but if there is something we don't know, we can find the answer quickly.

To find out more information about us, visit our website at [www.beaquatics.com](http://www.beaquatics.com)

or

Stop by Booth 726 at the 2007 IPRA / IAPD Conference, January 25-27, 2007 to meet us and see what a Strantrol® system can do for your pool.
